

Super Simplifier – Super & Pension for Managed Funds

Preparation Date 12 August 2025

Issued by Equity Trustees Superannuation Limited ("Trustee") (ABN 50 055 641 757, AFSL 229757, RSE L0001458) as trustee of Super Simplifier (ABN 36 526 795 205).

Important information

The information contained in this Super Simplifier – Super & Pension Approved Products List (APL) should be read in conjunction with the Dash Super Simplifier Super & Pension PDS Parts I & II, dated 18 December 2024. Together, each of these documents form the PDS for the Fund. These documents are available free of charge by contacting your Financial Adviser, the Member Administrator or through the fund website at www.dash.com.au/supersimplifier.

There may be circumstances where a product on this APL is no longer available even though it shows on the APL. This may include when a Product Disclosure Statement (PDS) or the Target Market Determination (TMD) is not available.

For products that are available, you should obtain and consider the PDS or other disclosure document relating to the product you are interested in before making any decision to purchase the product.

Before you make any investment, you must consider the product disclosure statement and any other relevant disclosure document for the underlying financial product. Your Financial Adviser will provide you with these documents, but you can also request them from your Financial Adviser or the Trustee at any time.

Any investments or assets acquired by or on behalf of the Trustee in accordance with the Approved Products List or the above limits do not, in any way, constitute an endorsement of the investment as being appropriate to a member's personal situation, objectives or needs. The Investment Holding Limits and Approved Products List are designed to ensure that investments are in accordance with obligations imposed on superannuation trustees under superannuation legislation.

The Trustee reserves the right to change the Investment Holding Limits or Approved Products List which may result in an investment or asset no longer being permitted to be held in your portfolio, in which case the Trustee may sell the investment or asset and pay the proceeds into your Macquarie Cash Management Account. We will advise you and your Financial Adviser of this in advance if it affects investments held by you (where necessary or appropriate).

If your account is wholly or partly invested in an illiquid investment because of your investment choice, we are not liable for any loss, cost, expense, or other liability arising from a delay in the transfer or payment of your benefit associated with a delay in realising the illiquid investment.
