Green ID Consent Form

There are some transaction requests that we are required to verify your identity before we can action the request. Identity verification is for Anti-money Laundering and Counter-terrorism Financing (AML/CTF) reasons. We need to complete this process when you request us to:

- Make a first-time cash payment to you
- Establish a new pension account
- Update or change your bank account details, and we have no prior valid identification, or
- If the previous identity document you've supplied to us has now expired, and you wish to request any type of payment.

Super Simplifier Administrators can verify your identity electronically using the GreenID identity verification process.

We will need your consent to verify your identity using GreenID, you will need to submit with this completed consent form a colour copy of your current photographic identification document(s). You acknowledge that you have read and understood the statement below:

When you opt for electronic verification, the details of the documents you provide to us will be submitted to the Australian government's document verification service (DVS). The DVS is a national online system that allows organisations to compare an individual's identifying information with a government record. Information about their privacy policy is available from their website: <http://www.dvs.gov.au>.

If you do not want to consent to digital verification, you can post us an original certified copy of your photographic identification document. If you have any questions in relation to this process please contact us on 1300 726 008.
